Happé

Timeless furniture made in France

LET'S MEET!

Happé furniture are designed in our Brittany workshop. We produce and sale creations of the artist Anouchka Potdevin.

WHAT IS HAPPÉ?

- Comfortable furniture with sensitive and timeless design, simple lines, revealing their graphic presence at light
- Handcraft expertise and local production of furniture made in France
- Comprehensive savoir-faire management: from furniture design to production and products sales.

HAPPE FURNITURE

For interior and exterior designs, Happé edits three major creations available for **buying** or **renting**:

- the Blush chair,
- the Cage seat and
- the Acte 2 pannels.

Our pieces of furniture are based on a metal structure – steel, brass, aluminium: noble and raw materials to meet high-end furniture requirements.

Happé furniture is available in standard version and could be adapted on demand.

OUR VISION

to provide quality furniture that arouse emotion and bring a timeless artistic dimension

Description

The Blush chair is the icon of Happé's timeless top-end furniture. Our designer Anouchka Potdevin created its metallic structure directly on her back to assure its ergonomic and comfort, while being faithful to its artistic universe.

True charming revelation, the Blush chair is made of comfort and charisma. Its lines, lightings and style define the Blush chair as the unmissable highlight around a good table. Designed and made in France.

Technical features

Structure: thermo-lacquered steel
Upholstered seat
Weight: 6 Kg

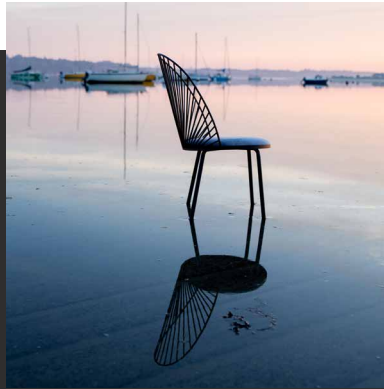

Dimensions

Seat height: 45 cm
Total height: 86 cm
Seat diameter: 40 cm
Width: 42 cm

Blush Chair - Gold

Blush Chair - Black

Upholstered seat
Weight: 6 Kg

Dimensions

Seat height: 45 cm
Total height: 86 cm
Seat diameter: 40 cm
Width: 42 cm

Description

At Happé, we also have taste for staging.

Happé is also about producing creations with strong presence and personality, which find their own place in each universe.

The Cage seat is a creation that amazes.

It is available in two models: suspended or floor standing. It is Happé's emblematic exceptional piece and will let no-one indifferent.

It to be suspended or placed at seat height, get into its lair...

Designed and made in France.

Technical features

Structure: brass or steel

Upholstered seat

Weight:

65 Kg (suspended) / 80 Kg (standing)

Dimensions

Diameter: 80 cm

Total height: 155 cm (suspended)

Total height: 175 cm (standing)

Cage Seat

Acte 2 Pannels

Description

Sculptural and multiple objects, the Acte 2 panels structure any area according to desires and constraints: they orientate people, create alcoves, highlight products or bring intimacy.

The concept is very simple: separated or appended, the panels reveal themselves and show the desired dimension of any space.

Acte 2 includes three elements with variable dimensions and could adapt to any environment.

Designed and made in France.

Technical features

Free-standing structure: aluminium

Finishes: raw or covered

Dimensions

Small sizes height:

80 to 110 cm

Big sizes height:

146 to 200 cm
